General Information

Join us for the SBI2 2026 Annual Conference!

We're excited to invite you to the Society of Biomolecular Imaging & Informatics (**SBI2**) 2026 Annual Conference, taking place from **November 2-4th** at the Renaissance in **Boston**, MA, USA.

SBI2 is an international community of **leaders**, **scientists**, and **students** dedicated to advancing technology, discovery, and education in the quantitative interrogation of biological models, both at the **cellular** and **tissue** levels.

This year, we celebrate SBI2's **14th anniversary** and the **13th edition** of our flagship event, where attendees will explore cutting-edge innovations in **imaging** and **informatics**.

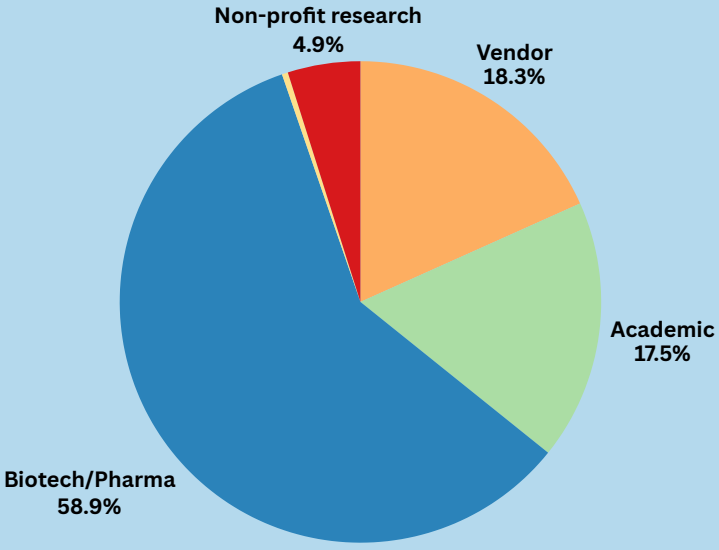

Day 1 of the conference is the **education day** with parallel training tracks and the final day of the **CytoData-sponsored hackathon**.
Days 2 & 3 will feature **keynotes**, formal **sessions**, **poster** presentations, and **exhibitor** showcases. The conference will conclude with an Award Ceremony and the SBI2 Annual General Meeting.

2025 SBI2 attendance by location

Package + Sponsorship Details

Showcase your expertise, grow your network, and put your organization in the spotlight!

Exhibitor packages

Gold and Silver Booth packages. These packages offer additional promotional opportunities and enhanced booth formats that help corporate partners raise their profile and connect with conference delegates and leading researchers in biomolecular imaging and informatics. Discounted conference passes are also available to both sponsors at **25% off** the SBI2 Professional Non-Member rate.

Bronze and Advertising-only options. These packages offer a cost-effective alternative to our Gold and Silver tiers. Bronze booths are placed in the Foyer, providing steady visibility and opportunities to connect with delegates throughout the event. The advertising-only option focuses solely on advertising exposure within event materials.

Lunch & Learns (45 min) and Spotlight Sessions (15 min). These sessions are a fantastic opportunity for exhibitors to present new and innovative technologies over Lunch or during the Keynote and Main Scientific Sessions. Lunch & Learns and Spotlights slots are limited and are made available on a first-come, first-served basis.

TableTops for Start-Ups. This option is best for start-ups that have not exhibited at SBI2. Partners reserve a small high-top table and 2 chairs in the exhibition hall for a modest fee. A branded tabletop is a perfect way to increase your company's visibility without a full booth commitment. For pricing and availability*, please inquire at info@sbi2.org.

*This option is available pending participation from a minimum of three vendors.

Sponsorship opportunities

By sponsoring a **special session**, **social event**, or **award**, you can show your support of SBI2's mission by helping us attract great speakers, provide original high-quality scientific content, and support up-and-coming young investigators. Corporate partners who choose one of these sponsorship opportunities will also receive **prominent** recognition at the event and on the SBI2 website.

Important Note: Complimentary full conference passes are limited to a maximum of four per vendor, regardless of the number or type of options purchased.

Exhibitor Space

*SBI2 reserves the right to modify the exhibitor hall layout at its discretion. Affected exhibitors will be notified in advance of any changes.

Registration

Registration:

Sponsors, exhibitors, and vendors can choose one or more options from the Exhibitor Packages or Sponsorship Opportunities listed on the SBI2 Conference page: https://sbi2.org/2026-sbi2-conference-boston/.

Hotel room availability:

SBI2 has secured a limited number of rooms at a negotiated group rate (**$315.00**) for attendees on a first-come, first-served basis. The hotel reservation link will be available on the conference registration page.
